Bachelor of Business- GPA: 3.4

- Business communication (Skills Certificate)
- Microsoft 365 (1+ year of Experience)
- Microsoft Excel & Spreadsheet -Unix/Linux (Basic commands, File Management)

PROJECTS

Voya Travel Platform | Independent Developer

- Developed an interactive travel web app using JavaScript and TypeScript to provide curated, visual destination guides.
- Applied prompt engineering with AI APIs to dynamically generate travel itineraries, budget breakdowns, and cultural insights.
- Designed a responsive UI with live maps to solve the poor user experience of standard text-heavy AI tools.

Digi Card Website | Co-Developer

- Built the front-end user interface, incorporating interactive 3D elements to enhance the visual design.
- Developed backend login tabs for user authentication and managed code collaboration via GitHub.
